Mr. David Lynch  
2416 Poplar Street  
Philadelphia, Pennsylvania

Dear David:

We just had a word on the phone the other day, so I thought I would drop you a note to formally say how delighted I am that you and AFI are involved together in a project. I was very impressed with your potential. I hope THE GRANDMOTHER moves forward well and that, in the meantime, we might have a chance to meet.

Best regards.

Sincerely,

George Stevens, Jr.
