

Dear Honorable Judge,

I, Deonte Corraway, feel that my Lawyer is not representing me in my best interest, I've noticed that my Hicks date has been violated because I have not signed any sort of Paper waiving my Hicks date, and if need be, I wish for a new attorney and that all charges be dropped. The reason for the request for a new attorney is because I have not seen or heard from my Lawyer in over a year. The Lawyer has not represented me in my best interest. I have sent multiple copies out to my family and other parties of this Letter. My family will be reaching out to the media if my concerns are not addressed. This is not to be taken as a threat, it's just I feel with the poor representation and now finding out my rights have been violated, I wish only to be treated fair. I will wait for your response Thank You Judge Leo Green
