March 18, 2021

Dear Parents and Guardians,

Thank you for attending Wednesday's town hall to learn more about the Prince George's County Public Schools (PGCPS) Blueprint Schools construction program and swing space options for Robert Goddard Montessori School.

After a careful review, we will continue to move forward in utilizing Robert Goddard as an identified swing space site and proceed with the following plan for the 2021-22 and 2022-23 school years:

- Robert Goddard students will remain in the current school building, sharing the facility with Hyattsville Middle School sixth-grade students and Creative and Performing Arts Program participants in seventh and eighth grades.
- Hyattsville Middle School's remaining seventh- and eighth-graders will move to the former Meadowbrook Elementary School, located in Bowie.

There were many factors to consider in making this decision, but we believe this is the best course of action. Prince George's County Public Schools will continue working diligently to ensure a smooth transition. Thank you for your support and engagement during this process.

Sincerely,

Monica Goldson, Ed.D.  
Chief Executive Officer
