Dear Gator Community,

The purpose of this letter is to inform you that earlier today, at 12:00 pm, we called 9-1-1 emergency services due to a medical emergency for three students who may have had a reaction to candy found on our playground. Emergency personnel attended to these students and parents of these students were notified. MCPS security and the City of Rockville police were on campus to assist the school and ensure the safety of our students.

It is imperative that we remember that no food of any kind is to be shared with other students. Please reiterate to your child that they are only to eat food that they bring from home or purchase at school. If they ever find suspected candy or other food on school property, they need to immediately speak to an adult at school.

There was no interruption to our school day as a result of this event. If you have further questions, please call the school at (301) 279-8470. We will make every effort to answer your questions as quickly and accurately as possible.

Sincerely,

Stacey Rogovoy
Principal
