The violation(s) described in this Citation and Notification of Penalty is (are) alleged to have occurred on or about the day(s) the inspection was made unless otherwise indicated within the description given below.

This is an official charging document which has specific deadlines for actions and is known as a Citation and Notification of Penalty (this Citation) which describes violations of the Maryland Occupational Safety and Health Act (Labor & Employment Article, Titles 1, 2 and 5) and Regulations. The penalty(ies) listed herein is (are) based on these violations. You must abate the violations referred to in this Citation by the dates listed and pay the penalties, unless within 15 working days (excluding weekends and State holidays) from your receipt of this Citation and Notification of Penalty you mail a notice of contest to the Commissioner at the address shown above. Issuance of this citation does not constitute a finding that a violation of the Act has occurred unless there is a failure to contest as provided for in the Act or, if contested, unless this citation becomes a final order of the Commissioner.

Posting - The law requires that a copy of this Citation and Notification of Penalty be posted immediately in a prominent place at or near the location of the violation(s) cited herein, or, if it is not practicable because of the nature of the employer's operations, where it will be readily observable by all affected employees. This Citation must remain posted until the violation(s) cited herein has (have) been abated, or for 3 working days (excluding weekends and State holidays), whichever is longer. **The penalty dollar amounts need not be posted and may be marked out or covered up prior to posting.**

Types of Violations - Violations are characterized as follows: (1) Willful - a violation where either: (a) the employer committed an intentional and knowing violation of the Act or Regulations or (b) though the employer was not intentionally violating the Act or regulations, he or she acted with plain indifference to or in careless disregard of employer responsibilities under the Act; (2) Serious - a violation where there is a substantial probability that death or serious physical harm could result, unless the employer did not know and could not know through the exercise of reasonable diligence, the existence of the violation; (3) Other - a violation that has a direct relationship to job safety and health, but which is not a serious violation; (4) Repeated - a violation of the same or similar standard for which an employer has been previously cited and which has become a final order; and (5) Failure to Correct - a violation for which a citation has been issued and the employer has failed to correct the violation within the permitted period for its correction.

Informal Conference - An informal conference is not required. However, if you wish to have such a conference you may request one during the 15 working day contest period. During such an informal conference you may present evidence concerning abatement or views which you believe would support an adjustment to the citation(s) and/or penalty(ies).

If you are considering a request for an informal conference to discuss any issues related to this Citation and Notification of Penalty, you must take care to schedule it early enough to allow time prior to the expiration of your contest period. Please keep in mind that a written letter of intent to contest must be submitted to the Commissioner within 15 working days of your receipt of this Citation. The running of this contest period is not interrupted by an informal conference.

If you decide to request an informal conference, please complete, remove and post page 4 (Notice to Employees) next to this Citation and Notification of Penalty as soon as the time, date, and place of the informal conference have been determined. Be sure to bring to the conference any and all supporting documentation of existing conditions as well as any abatement steps taken thus far. If conditions warrant, the agency may settle this matter without litigation or contest.

Right to Contest - You have the right to contest this Citation and Notification of Penalty. You may contest all citation items or only individual items. You may also contest penalties and/or abatement dates without contesting the underlying violations. Unless you inform the Commissioner in writing that you intend to contest the citation(s) and/or penalty(ies) within 15 working days after receipt, the citation(s) and the proposed penalty(ies) will become a final order of the Commissioner.

Penalty Payment - Penalties are due within 15 working days of receipt of this notification unless contested. Make your check or money order payable to "Division of Labor & Industry/MOSH". Please indicate the Case No. on the remittance.

MOSH does not agree to any restrictions or conditions or endorsements put on any check or money order for less than the full amount due, and will cash the check or money order as if these restrictions, conditions, or endorsements do not exist.

Employer Discrimination Unlawful - The law prohibits discrimination by an employer against an employee for filing a complaint or for exercising any rights under this Act. An employee who believes that he/she has been discriminated against may file a complaint no later than 30 days after the discrimination occurred with the Commissioner at the address shown above.

Contest By Employees - The law gives an employee or his/her representative the opportunity to object to any abatement date set for a violation if he/she believes the date to be unreasonable.
